

MISS JIMMIE MAYFIELD, Sworn for the State. I am employed at the National Pencil Company and have been there about a year and a half.

I have read ground #2 of the extraordinary motion for a new trial in the above case and they have me quoted as saying "the said Jimmie Mayfield now states positively that the hair showed to her by the said Barrett, was not the hair of Mary Phagan, and that the same was entirely too light in color and not of the same texture as that of Mary Phagan." This statement is false and untrue. I did not say positively that it was not Mary Phagan's hair, for I did not know, and do not know now. I did say that the hair Mr. Barrett showed me was too light for Mary's hair, but I could not say positively that it wasn't her hair. I have read the foregoing statement which I made in the presence of officers J. N. Starnes, and Pat Campbell and my father and mother, Mr. and Mrs. S. I. Mayfield.
